

# Green Thumb 2021

Do you love flowers and gardening?  
Would you like to grow your own vegetables?  
Do you want to learn something new?  
Do you want to win great prizes?

There are many ways you can participate in Green Thumb: you can plant your own flowers or flowers and vegetables, you can help plant the flower beds at your hi-rise, you can grow vegetables in one of LMHA's community gardens, or you can plant flowers at your community's sign. Plants are in limited supply due to the pandemic so please let us know if you need plants for sun or for shade.

Sign Up Today! Deadline to sign-up is Thursday, April 29th.
